

# GREENHILL ACADEMY

## Senior Five ICT Holiday work Term one 2025

Your school is planning to organize a **Community ICT Awareness Day** to teach people in your village about how ICT tools are used in daily life and how they can benefit the community. As a student of ICT, you have been given a **special assignment to investigate the use of ICT tools** in your local community.

You are expected to prepare a **presentation or report** that will help your school during the ICT Awareness Day. This activity will help you learn how ICT is used in real-life situations—especially by **local leaders, business people, religious leaders, and health workers**.

To confirm that you actively participated and consulted real people, you must collect at least **one signature or official stamp** from a **Local Council Chairman, school head, religious leader, or health worker** as proof of your interview.

### TASKS:

#### 1. Identify and Interview a Local Leader (Mandatory Signature/Stamp):

- Choose **one of the following**:
  - LC1 Chairperson
  - Religious Leader
  - School Head Teacher
  - Health Worker
- Ask them what and how they use ICT tools in their work.
- Any **problems** or challenges they face when using them.
- Write a short **summary of their answers** (bullet points or a paragraph).

#### 2. Interview a Computer User:

- Find someone who uses a computer in their work (e.g., cyber café worker, secretary, school administrator).
- Ask them:
  - Which **application software** they use
  - What they use it for.
- Write a short **summary of their answers** (bullet points or a paragraph).

#### Note: Create a Neat Report:

- Give your report a **title ( few lines and few points)**
- Use **clear headings** for each task
- Include **one recommendation** on how ICT can help solve problems in your community

#### Optional Bonus Task:

- Take a photo of any ICT tool in use and print or draw it in your report (if possible).

#### Confirmation Page (Attach to Your Report)

Name of Person Consulted	Title (e.g., LC1 Chairperson)	Signature / Stamp	Date
--------------------------	-------------------------------	-------------------	------

work should be sent to [jmwebe@greenhillacademy.ac.ug](mailto:jmwebe@greenhillacademy.ac.ug) four days before term 2 starts.

“Nice holidays dear learners”
