# ACADEMIC AND SOCIAL ENGAGEMENT

## Assemblies

We have had assemblies for the Pre-primary and Kindergarten classes. You are highly appreciated for turning up in big numbers.

## Fun Day

## Birthdays

Birthdays have been celebrated this term every Wednesday. All parents are reminded to fill in the birthday forms and return them before the celebration day.

We had a successful funday on Thursday 8th June, 2023. This gave pupils chance to play together as a way of sharing. Parents also got to know each other.

## Sports

Colourful sports days were held on Friday 14th and Saturday 15th July, 2023.

There was full participation of all the pupils in their house colours.

In Lower school, Purple house won.

In Upper school, Red house won and the over all winner for the year 2023 was Red house.

"Congratulations to all colour members".

## Reading

Our reading engagements have been effectively done. All parents are encouraged to help children access reading materials.

Swimming lessons have been held throughout the term.

### **An appeal;**

We have noticed increased aggressive behaviour among our learners. This behaviour is majorly being picked up from the television. You are encouraged to sensor the programs watched at home.
